On behalf of Falun Dafa Association of Canada

May 13 marks the 27th anniversary of the public introduction of Falun Dafa that will be celebrated in over 80 countries including Canada. Facing persecution, practitioners of Falun Dafa have continued over the years to practice their faith by following the guiding principles of *Truthfulness*, *Benevolence*, and *Forbearance*. I admire their unwavering commitment to share the goodness of this traditional Chinese self-improvement system with citizens worldwide.

In Canada, the Falun Dafa Association has worked to build a vibrant community across the country and I commend them on their efforts. I am happy that we are fortunate to live in a country like Canada where we are privileged to be able to fully enjoy the values of openness and diversity, and freedom of religion.

Sincerely,

Tom Kmiec, M.P.
