It is with great excitement that I extend my heartfelt congratulations as you embark on your 2024 tour across our beautiful country. Your performances, inspired by 5,000 years of Chinese culture, are a testament to artistic mastery, resonating deeply with audiences and enhancing the celebration of Canada's cultural diversity.

As you enchant audiences in our nine cities with your mesmerizing and culturally rich performances, I have no doubt that you will continue to captivate the hearts and minds of many with your beautiful display of culture. Shen Yun's ability to convey universal themes of compassion, courage, and hope resonates deeply, making it truly commendable and a beacon of light in today's world.

We recognize Shen Yun's invaluable contribution to fostering understanding and appreciation for the universal values that bind us all. May this tour be filled with success, joy, and the shared appreciation of the profound cultural heritage you bring to life on stage. Thank you for your contribution to the cultural enrichment of our communities, and I look forward to witnessing the magic and inspiration you will undoubtedly bring during this tour.

Warm Regards,

Philip Lawrence, Member of Parliament
